**Improving Research and Innovation Infrastructure
Performance: from Fragmented to Integrated and
Sustainable Cooperation**

InnoHEIs

Rima Dijkstra
InnoHEIs project leader

19 January, 2021 □ InnoHEIs meeting in Silesia, Katowice, Poland

InnoHEIs strategic objective

is to enhance the contribution of HEIs and their RII to the regional innovation performance

- *creating the favourable environment for interactive engagement of business and industry and*
- *collaboration among Quadruple Helix actors addressing regional societal challenges*

*Speed Up
Innovations!*

www.interregeurope.eu/innoheis/

InnoHEIs project sub-objectives

- **improve regional R&I policies, ensuring an effective and efficient use of R&I (HEIs) infrastructure**
- **encourage research and business/industry collaboration**
- **enhance HEIs sustainable role in regional innovation strategies improvement and development**

Regional Diagnosis

Analysis of regional policies related to HEIs and RII

I) ***Mapping of HEIs and their RII***

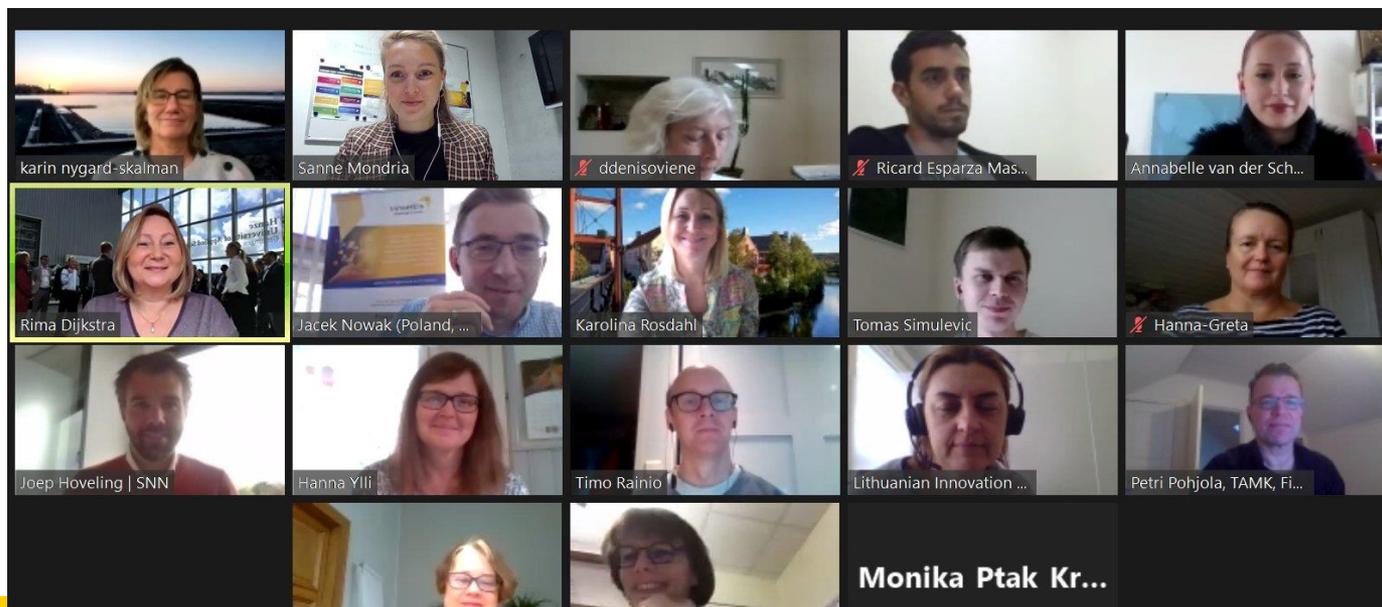

II) ***Gap analysis of RII performance*** allows to identify gaps and find out how to fill up gaps identifying challenges and needs to improve RII performance

III) ***Role of HEIs in the context of S3, HEIs capacities and involvement in S3 design and implementation:***
how to engage HEIs to contribute to regional development

InnoHEIs partners' meetings

- Kick off in September 2019 in Groningen
 - Six online partner meetings: *November 27, 2019; March 3; March 31; September 8 & October 6 in 2020*
 - Middle Norrland, Sweden on May 19 - 20, 2020
 - Centre Val de Loire, France on November 24 – 25, 2020
- !!! Silesian Voivodship, Poland, January 19 – 20, 2021**

Kick off in September 2019

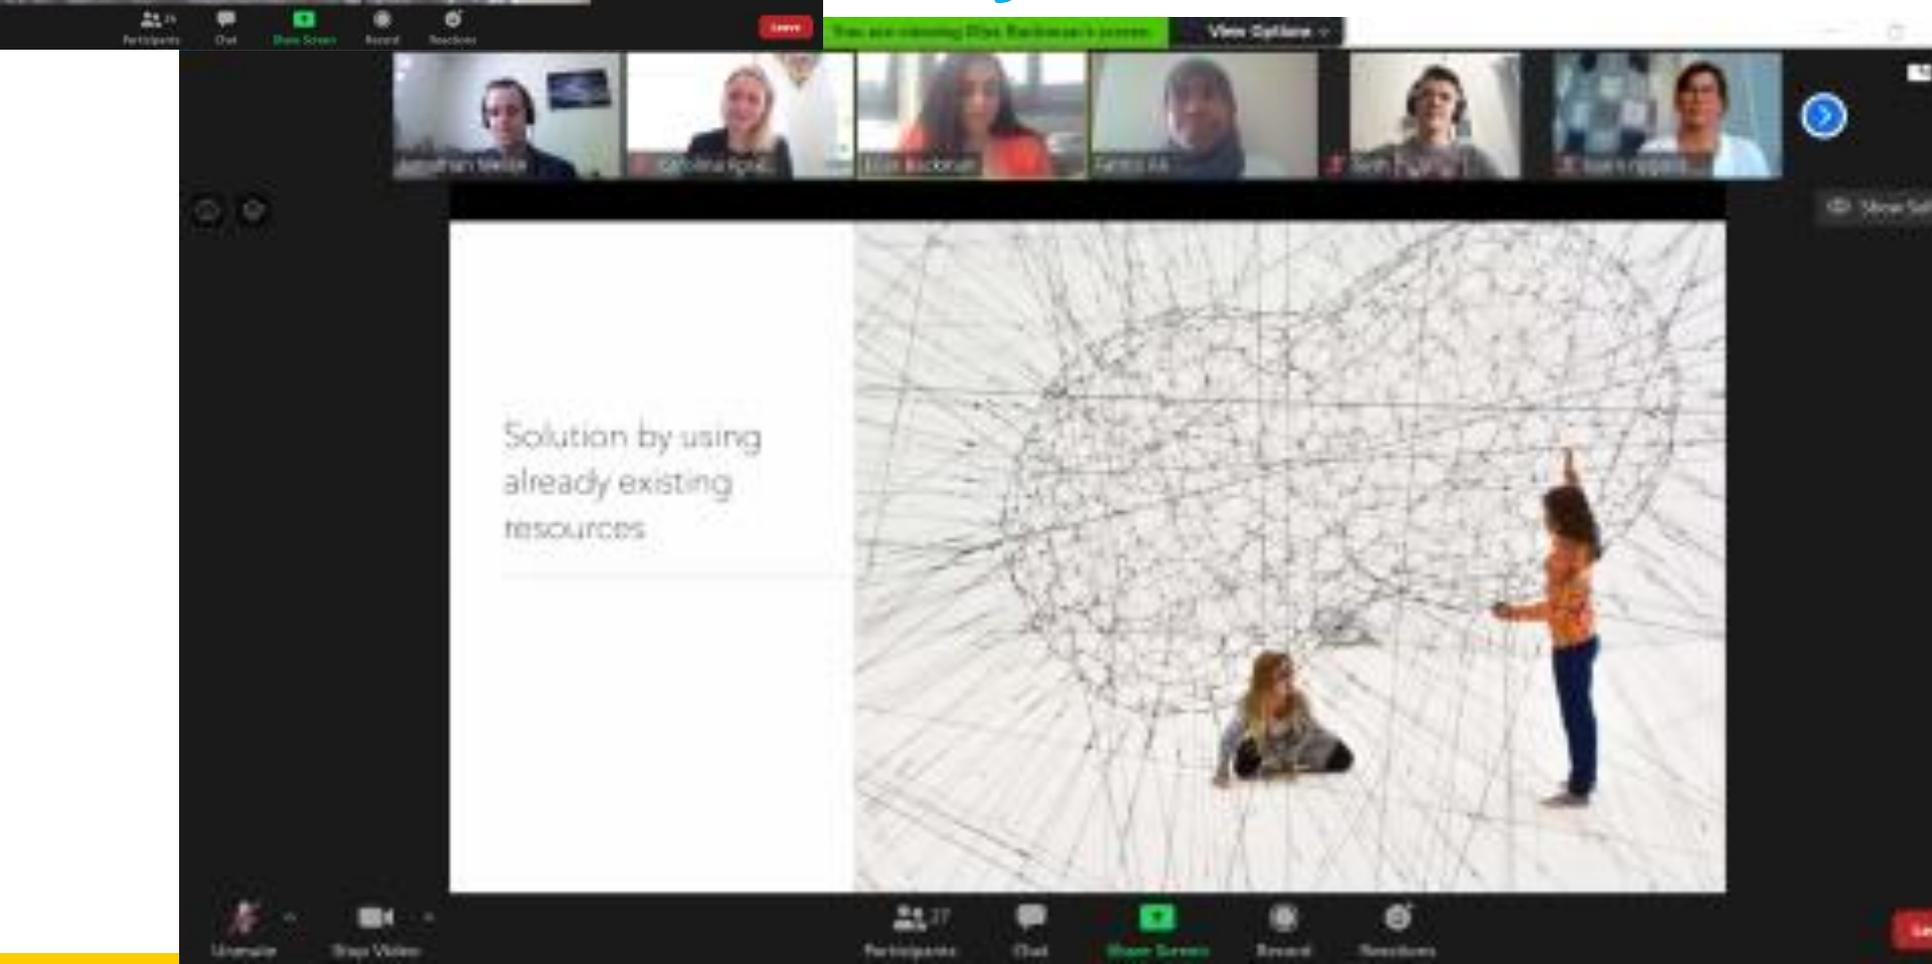

Groningen, Netherlands

Middle Norlland, Sweden May 19 -20, 2020

France

Centre Val de Loire

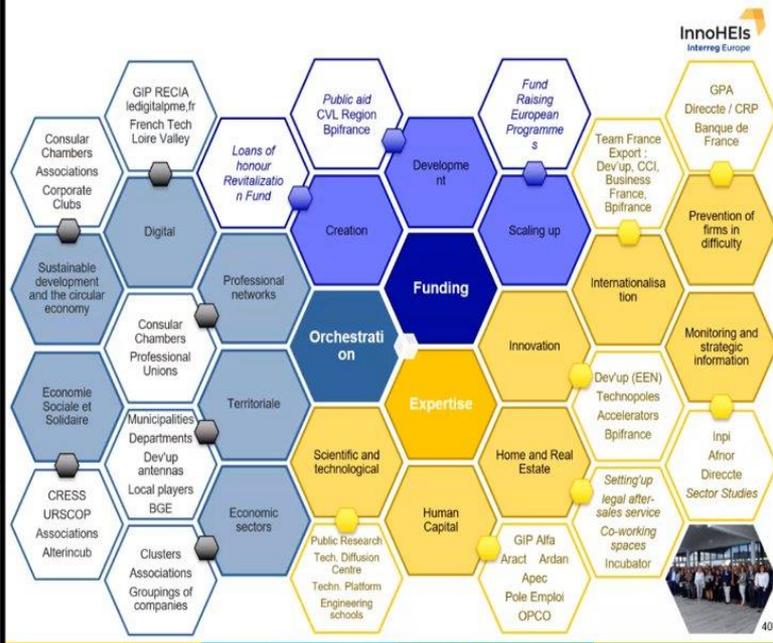

Nov. 24 – 25, 2020

Challenge 1
 "How can we ensure that the university training offer matches the needs of companies?"

IDEA GENERATION

- How to analyse the company needs?
- What are the capacities of the HEIs to make evolve their training offer?

<p>Topic 1 How to explore the labour market needs especially for the local companies?</p> <p>ISOP: regular activities... RD: Approaches... Co-creation... ISOP: external... Co-creation... ISOP: external... Co-creation... ISOP: external... Co-creation...</p>	<p>Topic 2 How to implement further efforts to HEIs to orient their training offer?</p> <p>ISOP: external... RD: Approaches... Co-creation... ISOP: external... Co-creation... ISOP: external... Co-creation...</p>	<p>Topic 3 How to make the consultation, dialog and concertation process a reality?</p> <p>ISOP: external... RD: Approaches... Co-creation... ISOP: external... Co-creation...</p>
