Universitat Autònoma de Barcelona (UAB). Doctoral programme: Innovation Policy Desing and Evaluation

The Universitat Autònoma de Barcelona (UAB), through the Institute of Government and Public Policy - IGOP (Faculty of Political Sciences and Sociology) and the Centre for Entrepreneurship and Social Innovation Research - CREIS (Faculty of Economics
and Business) open a joint call for proposals for one position as:

PhD student under the programme "Politics, Policies and International Relations" to work in the field of "Innovation policy: governance, design and evaluation".

The UAB will support the candidacy of the chosen candidate to apply for the scholarship provided by EURECAT Technology Centre of Catalonia, through the backing of the academic team of both IGOP and CREIS at UAB (see 'funding' section).
The selected student will work under the direction of two co-directors from IGOP and CREIS respectively, Dr. Raquel Gallego and Dr. Ricard Esparza Masana (see profile below), and a tutor from EURECAT (to be decided).
